

Kingston Hill Academy

“Green” School:

Kingston Hill Academy is a “green” school. We strive to improve our environment. KHA recycles; uses natural cleaning products and consumes as little paper as possible. Toward this goal, we communicate school events and messages by email.

BlackboardConnect:

At KHA, we use the Blackboard Connect Messaging System to inform families of emergencies, school closures, and special events.

Please designate a specific telephone number and an email for the above purposes.
